Our holiday cottage for hire in Herefordshire is a spacious 19th Century stone cottage beautifully equipped and entirely self contained with private parking and garden.

The cottage has been renovated to a high standard keeping a lot of it's original features. It is in a beautiful setting alongside our private 9 hole golf course on a secluded part of the park and within easy walking distance of our 15 acre natural fishing lake.

It can accommodate up to six people through three bedrooms - two double rooms and one twin room. (It is possible to sleep 8 people as there is also a sofa-bed in the lounge)

An attached private garden, with car parking, is to the rear of the house and is overlooked from the kitchen window. There is a large fully equipped utility room, an upstairs bathroom and a downstairs shower room. Linen and towels provided.

It is a fantastic cottage to enjoy while golfing, fishing, cycling, rambling, or just relaxing. Fishing and golf are free whilst staying in our self-catering properties.

Keepers Cottage is available for short breaks and long weekends.
