## Regal Elegance

At Pearl Lake Country Holiday Park

The Elegance is, at first glance, a modest holiday home. Truth be told if you want all the bells and whistles then this is not the home for you. But if you are looking for a holiday home at a great price, on a 5 star holiday park that has a golf course, natural lake, woodland walks, restaurant and bar, great play areas for the (grand) children and is dog friendly then this could be just the one!

The living area has large windows to the front elevation that lift the atmosphere in the living area in the those long sunny days. This is a social space with a dining table for four people and a fully fitted kitchen that keeps everyone in the conversation - and you can keep an eye on the kids while you're making a spot of lunch.

The family shower room and guest twin bedroom are accessed from the main hallway and the master bedroom is at the rear of the holiday home for those moments when you need a quiet 5 minutes to yourself.

All in all, at this price, on this park, this is a must see holiday home.
