The Winchester never seems to date. The interior is still fresh, the layout still stylish and different.

This is a cracking pre owned holiday home that offers all the benefits of ownership on a 5 star holiday park - peace and quiet, immaculate grounds, golf course, fishing lake, woodland walks, bar and bistro... so much to enjoy.

An open plan living area which benefits greatly from the natural light and the patio doors. The lounge is oriented to make the most of the view on nice days and be cosy on nights in.

A family shower room and a twin bedroom straddle the corridor that leads to the master bedroom with en-suite w.c.

Stylish, unpretentious and just about spot-on!
