The ABI Ambleside is always a joy to photograph and show to the world.

On a spacious plot with a view of the lake the tingle of expectation is present before the door is opened. Entering into a very practical hallway is no indication of the delights to come.

A very large open plan living area with spacious fully equipped kitchen and dining area for up to 4 people, leads on to the superb lounge. Two large sofas take in the glorious view and make the most of the layout - still giving options for light and airy days or quite and cosy evenings.

A family shower room and large twin bedroom are the appetiser to a beautiful master bedroom with en-suite shower room. This is perfectly private and a sanctuary for busier times.
