This ABI Ambleside is a pleasure to photograph and spend time in. Spacious and calming with great natural light.

The open plan living area creates a fantastic space for family and guests and is quiet and cosy enough for 'just the two of you' for a night in with a movie and a bottle of wine.

The kitchen and dining area complete the open plan living space before we are led through to the rest of the holiday home. There is a family shower room opposite the twin / second bedroom before we meet the master bedroom with a walk-in wardrobe and an en-suite shower room.

All in all, you couldn't ask for more. A holiday home of this quality and this price on a 5 star holiday park will always be a winner.
