- Elevated lake edge plot
- Open plan living area
- Bi-fold patio doors
- Separate utility room
- 2 double bedrooms
- Family shower room
- Superb en-suite shower

Spectacular Lake Edge Lodge

The Pemberton Rivendale must have been designed for a plot such as this. The bi-fold patio doors open onto the decking and an impressive panoramic view over Pearl Lake - a slice of heaven.

Light and spacious throughout, the Rivendale quite honestly leaves you speechless and grasping for superlatives to describe how good it is. From the moment one enters the lodge the quality is evident, every aspect of the design is considered and reinforces the feeling of luxury.

The open plan living area has those fantastic patio doors - and what an impression they make. There is a stylish sun room / study / quiet space alongside the living area that also has patio doors and that stunning view over the lake.

2 double bedrooms are beautifully appointed, the guest room supported by a family shower room, the master bedroom feels endlessly spacious and is topped off by a superb en-suite shower room.

For more information please telephone Pearl Lake on 01568 708326 or email us
