### Sunseeker Sensation

The Sunseeker Sensation is a luxury twin-unit lodge offering a bright and airy fabulous layout and design.

Superb quality throughout is noticeable as soon as you enter the lodge, with oak doors and furniture lending their weight to a considered design and thoughtful finishing touches.

The living area takes advantage of the elevated plot and offers views to the Radnorshire Hills, seen from the comfortable sofa and armchairs you will feel right at home.

The kitchen area has clean lines, fabulous worktop space, is superbly appointed and beautifully laid out - one can move easily through the space. The kitchen island offers a breakfast bar too, great for that morning coffee and a crack at the crossword! A dining area is surrounded by incoming light and perfect for the family and friends to gather around.

The very spacious master bedroom offers elegance and style. With fitted wardrobes and en-suite shower room you can create a real haven for relaxation.

The guest bedroom has plenty of space too. Tastefully decorated, a great escape for the kids / guests to play / relax.

A family bathroom provides a bath and a shower.
