Pemberton Marlow

Just arrived at Arrow Bank is the brand new (2021) Pemberton Marlow.

With a refreshing colour palette and a composed, considered layout, the Marlow is a great example of how to bring quality together on every level to create a comfortable, reassuring interior.

The open plan living area is light and spacious - those patio doors offering beautiful natural light throughout.

The fully equipped kitchen also has a dining area with table for 4 people.

A family shower room, twin bedroom and master bedroom with en-suite w.c. complete the layout.
