£42,500

ABI Ambleside for sale

One can never say too much about the popular ABI Ambleside.

The interior is always reassuring - warmly accepting you into the comfort of its surroundings. The large, comfortable sofas offer a relaxing front row seat to the view through the patio doors. The light from the doors washing over the lounge right to the kitchen and dining area. A great open plan design that allows the whole family to enjoy the atmosphere and the conversation.

The family shower room is close to the guest / second bedroom. The spacious master bedroom has a walk-in wardrobe and an en-suite shower room, giving you the flexibility of a second shower room for when you visitors or family staying with you.

A great holiday home to spend time in and well worth viewing.
