The Dorchester is a truly luxurious holiday home, equipped with everything you need to escape everyday life and make the most of your leisure time.

Space in abundance

The Dorchester is the biggest holiday home in the Willberby range, meaning you will have ample space for entertaining your family and friends. The open plan living area has two free standing sofas that make the most of the view (and the light) from the double sliding patio doors. A kitchen area with 5 burner gas hob and plenty of worktop space also has a dining table for four people.

The holiday home features a king-size bed in the master bedroom with lift-up storage system and upholstered headboard - a great place to relax and unwind, plus a spacious twin bedroom boasting 3ft wide single beds.

Situated on a beautiful lake view plot with a full wrap decking including glass what's not to love?

Book an appointment to take a look at the park and, while you're here, treat yourself to a look at the Dorchester. It will be worth it!
