ABI Windermere

Spacious and light

With a natural colour palette throughout the Windermere offers a calm, relaxing environment to make the most of your holidays at Discover Parks, enabling you to unwind and regenerate during your time on park.

The open plan living area has plenty of natural light from the large patio doors - also offering a great view from your choice of plot. The kitchen and dining area complete a fabulous social space for you and your family or guests to enjoy.

The twin / guest bedroom has two single beds and ample storage space to keep everything in place.

The master bedroom has a king size bed and the design creates a fabulous, cosy haven for you relax in. A walk-in wardrobe and an en-suite shower room complete the layout of this great model.
