Atlas Heritage 4

For Sale at Pearl Lake Country Holiday Park

An incredible chance to own a brand-new holiday home at an unbeatable price.

Introducing the all-new Atlas Heritage, featuring a cool and calming interior design. The stunning open-plan living area boasts large patio doors and near floor-to-ceiling windows on both sides, allowing natural light to pour in. The lounge area is beautifully styled in soft, serene tones, with both a 2-seater and 3-seater sofa, complemented by a charming wood burner effect fireplace. A dining table with seating for four neatly separates the lounge from the kitchen.

The modern kitchen is sleek and fully equipped, offering a contemporary oven and hob, built-in appliances including a microwave and fridge/freezer, ample worktop space, and plenty of stylish storage. The matte black sink and drainer add an elegant touch.

Down the hall, you'll find a gorgeous family shower room alongside a spacious guest bedroom with generous storage, and the master bedroom features a king-size bed, plenty of wardrobe space, and an en-suite w.c.

It's rare for our 5-star holiday parks to have new models at this price point, and we don't expect this one to last long.

This beautiful holiday home is available now at Pearl Lake. Is this the getaway you've been dreaming of?
