- Pantry cupboard
- En-suite bathroom

## ABI Beaumont

For sale at Pearl Lake Country Holiday Park

This beautiful pre-owned holiday home is available on a stunning lake edge plot.

WOW! What a holiday home! What a pitch! The Beaumont is always impressive - it's spacious and light, with good quality fittings and a considered layout giving space and homeliness in equal measure. So when a holiday home this good becomes available on a lake edge plot, with the decking included, it all adds up to a superb offering that is difficult to turn down.

The open plan living area makes the most of the view (did I say it was an amazing view, too?) the kitchen - one of the best in my opinion - has a fitted dishwasher and washing machine, and a great pantry cupboard. The large patio doors fill the whole area with light.

There is a twin bedroom opposite a family / guest shower room, and then the main bedroom is another beautiful space. King size bed, dressing table, walk-in wardrobe and en-suite bathroom (with a proper bath!)

I could go on and on, but the best thing to do is see for yourself. Available to view right now at Pearl Lake.
