Regal Artisan Lodge Mk2

Bold, urban styling, a striking, contemporary colour scheme and luxury features throughout, set the tone for the new, sophisticated Artisan Lodge by Regal.

The spacious lounge is super stylish with plenty of room for everyone to relax, and includes a comfortable sofa, two armchairs and a large footstool. A feature panelled wall with a built-in TV unit makes a striking focal point, and recessed display shelves and a feature pendant light add the perfect finishing touches.

The kitchen / dining area is a sociable space – there's a dining table that seats six and a large roof light lets light flood in. High-end appliances provide everything you could need for rustling up a holiday feast and there's even a wine cooler!

Through into the master bedroom and a super king-size bed, with a large striking headboard, set against a feature wall will spoil the very most discerning of guests. The second bedroom is equally as luxurious with twin 3ft beds and beautiful styling.

This striking holiday home has just arrived at Pearl Lake. For more information and to book your VIP tour please contact us direct on 01568 708326 or email us
