Regal Autograph

At Pearl Lake Country Holiday Park

Well, what can one say about this amazing Regal Autograph?

Ever impressive, the build-quality of the Autograph still shines through - as it should - in this beautiful pre-owned model.

A holiday home of this quality, available for sale on a quiet plot, , on a 5 Star holiday park... WOW! We have almost removed all the thinking for you!

The open plan living area is spacious and comfortable with a large 3 piece suite enjoying the natural light from the patio doors and glazed front end of the holiday home. The kitchen, with the adjacent dining area, has everything to hand in a design that also enjoys the company of the main living area.

There is a twin bedroom and a family shower room and, finally, enjoying the rear of the holiday home, the master bedroom with an en-suite W.C.

So... come see the plot, come see the Autograph, most importantly come see the park. It could be one of your best decisions!
