Regal Symphony

At Arrow Bank Country Holiday Park

This beautifully designed and spacious holiday home has just returned to our stock, and it's truly a must-see.

The home boasts a bright, open-plan living area, with a fully glazed front that bathes the lounge in natural light. A striking gas-effect fire is set into a half-height internal wall, offering a stylish separation between the kitchen and lounge while enhancing the overall design. The modern kitchen comes fully equipped with integrated appliances, including a fridge/freezer and microwave. A teak finish runs through the elegant worktops, complete with a built-in wine rack that holds up to eight bottles! Patio doors lead directly from the kitchen to the outside, flooding the space with even more light.

Towards the rear, the hallway leads to the twin guest bedroom, situated next to the family shower room. Finally, you arrive at the peaceful master bedroom, which features its own private en-suite bathroom for added luxury.
