Pemberton Langton

At Arrow Bank Country Holiday Park

The exceptional Pemberton Langton draws you in to explore every detail and nuance that combines to create a magical interior.

The side entrance door has a perfect screen to create a hallway with utility cupboard and boot seat. This builds the anticipation of seeing the main interior as it pleasantly obscures a view for just a moment longer.

The kitchen and dining area is perfect. An island unit defines the space between the two areas, the dining table is in prime position under a large window. there are sliding doors that offer an option to close off the lounge and create two separate spaces - ideal for using the lounge as a third bedroom with the sofa-bed.

A large, light lounge will make the most of any view.

There is a family shower room that can service guests in the twin bedroom. The master bedroom has an en-suite bathroom - perfect for some privacy.
