Willerby Vogue

At Arrow Bank Country Holiday Park

This Willerby Vogue holiday home is a great example of "Form is temporary, class is permanent"

As a pre-owned holiday home there will seldom be a better place to start your holiday home journey than with a quality model such as this.

The kitchen dining room has feature lighting throughout and has the great advantage of sliding double doors that can separate it from the main lounge - perfect if you are using the lounge as a third bedroom (sofa bed included). This also makes the lounge a cosy space all of its own, perfect for a relaxing night in or a social evening with friends.

There is a full size bath for the main bathroom, which is opposite the guest twin bedroom. The master bedroom has a unique layout with the double bed at an angle. This generates additional space around the bed perfectly used for storage, wardrobe and an en-suite shower room.

A Willerby Vogue is never disappointing, and if you are looking for a holiday home at the right price this could just be the one!
