ABI Ambleside Premier

At Pearl Lake Country Holiday Park

A tingle of excitement, the anticipation starts to build... an ABI Ambleside Premier is in stock!

The large side entrance hall is not only a great practical space, it offers a buffer for sound and draughts and general circulation, keeping the open plan living area in a wonderful cosy uninterrupted bubble.

A spacious kitchen dining area is seamlessly integrated alongside the lounge and the fabulous glazed patio doors - what a space this will be all year round.

The guest, twin bedroom is large, with wardrobe and drawers. The master bedroom is a glorious space with a dressing table, window seat, plenty of storage and a private shower room.

Superb from front to back, the ABI Ambleside never fails to impress.

With decking included what more could you want?
