Pemberton Serena

Available at Pearl Lake Country Holiday Park

This classic Pemberton Serena is light and airy with a great kitchen and dining space and 2 bathrooms.

You enter the Serena through the side entrance door off the decking straight into the bright kitchen. This is a particular feature of the home with a long line window, and velux rooflight bringing in lots of natural light.

The kitchen is well equipped with integral fridge/freezer, slimline dishwasher, 5 ring gas hob with extractor over and glass splashback. There's masses of cupboard space and plenty of plug sockets. The dining table sits in front of the feature long line window with eyebrow style window over and easily seats 4.

The spacious lounge has a three seater and two seater sofa with a large footstool for extra seating. There's a feature fireplace and the light floods in from the full glass frontage which includes patio doors out onto the wrap around deck.

The bedroom and bathroom area is through a handy door for extra privacy. There's a twin bedroom, with plenty of storage, opposite the family shower room. The master bedroom has it's own en-suite, plus there are mirrored wardrobes and a dressing table.
