ABI Windermere

A tingle of excitement, the Holiday Home adored by all is now at Arrow Bank!

This firm favourite and homely hideaway from ABI is back, now in a dusky cornflower blue. With a thoughtful kitchen design and every curve of the sofa redesigned for maximum ahhh-factor on every slump, it's primed for laid-back living.

The cosy but spacious living area with feature fireplace makes for a perfect place to both host friends and family or to spend an evening curled up in front of the TV.

A spacious kitchen dining area is seamlessly integrated alongside the lounge and the fabulous glazed patio doors - what a space this will be all year round.

The guest, twin bedroom is large, with wardrobe and drawers. The master bedroom is a glorious space with a walk in wardrobe, plenty of storage and a private shower room.

With every feature of this Holiday Home the ABI Windermere never fails to impress.
