£37,995

Willerby Winchester

For sale at Pearl Lake Country Holiday Park

This fantastic pre-owned Willerby Winchester holiday home offers a well designed layout and great natural light.

A side entrance door in to the kitchen / dining area, does not allow us to see the stylish lounge. The dining area can be shut off from the lounge which gives more options if you have guests, visitors, or just want to create a bit of peace and quiet. The lounge, with large front windows and patio doors, has great natural light. With a large sofa and 2 armchairs - one of which swivels - this can be a cosy movie night theatre, or a light and airy retreat in the summer heat.

A family shower room, twin bedroom and main bedroom with en-suite w.c. complete the layout.
