£79,995

Willerby Vogue Nouveau

For sale at Pearl Lake Country Holiday Park

This Willerby Vogue Nouveau is a 'take your breath away' holiday home!

You enter the Vogue straight into the kitchen/dining space. On your immediate right is a handy seat for taking off boots with clothes hooks over. Look to your left and you get the first glimpse through sliding patio doors flanked by full length windows and fanlight windows above – making the most of your plot view. The lounge has 2 sofas (one is a sofa bed and the other reclines).

In the fully fitted kitchen with white gloss fronted cupboards and granite style counter tops, there's a double door opening American-style fridge freezer, a large oven with 5 ring gas hob over, integrated dishwasher and washing machine and a microwave. The dining table seats six.

Down the hall and the bedrooms and bathrooms are equally as impressive. There's a family shower room which serves a really generous twin bedded guest room with wardrobe and bags of storage. The main bedroom is exceptional! There's a king size bed, ensuite shower room with extra large shower, patio doors that can lead to a small deck (optional), dressing table with mirror and lights plus a walk-in wardrobe.
