ABI Ambleside

For sale at Pearl Lake Country Holiday Park

This pre-owned ABI Ambleside, set on a quiet, spacious plot at Pearl Lake Country Holiday Park. There is an ensuite and dressing room in the main bedroom whilst the fitted kitchen has a dishwasher and washing machine.

You enter the home straight into the spacious kitchen/dining area. The kitchen is a particular feature of this home with an integrated fridge/freezer, built in microwave, washing machine, dishwasher, handy larder cupboard and a glass splashback behind the gas hob.

The dining table comfortably sits four and this space is light and airy with windows on both aspects.

The lounge has patio doors that open onto the decking (decking is not included) with generous windows on both sides bringing lots of light in. There's 2 sofas (one a sofa bed), a focal point gas fire and large foot stool with hidden storage.

The Ambleside has two bedrooms. A generous twin room has bags of storage including a wardrobe with drawers under. This bedroom is served by a family shower room with large cubicle and vanity storage. At the far end of the home is the master suite. This is a great space with walk in dressing room, ensuite shower room, mirrored dressing table and masses of storage.

A great example of a family favourite – the ABI Ambleside.
