

Pearl Lake

COUNTRY HOLIDAY PARK

where life feels right

Pearl Lake is the largest natural lake in Herefordshire - the jewel within 80 acres of rolling parkland. Choose Pearl Lake Leisure Park for its wonderful lake setting and a great selection of on-park leisure activities. The park is ideally situated to explore the Marches Towns, black and white villages, castles, hills and rivers of Herefordshire and the Welsh borders.

- Holiday home owners can play our private 9 hole golf course at any time. This deceptively challenging course suits the beginner and more experienced golfer alike
- Enjoy the natural spectacle of Pearl Lake, a natural 15 acre glacial lake. Maybe partake in a spot of fishing if conditions allow
- Join fellow enthusiasts on the park's crown bowling green
- Pet friendly holiday park with off-lead dog field and dedicated dog wash
- Walkers will appreciate the wildlife around the lake and woodland paths
- Nature hide / wildlife station - enjoy the wildlife close up without disturbing them
- 'The Lakeside' bar & restaurant opens at weekends and public holidays
- Children can enjoy our play area and recreation field
- Shobdon village shop and country pub are just a few moments walk away
