This brand new, 2025 ABI Beverley has clean lines and a Nordic feel.

The contemporary yellow and grey interior colour scheme, matched with some modern twists will make every visit a fabulous experience!

Enter into a spacious hallway with seating area for removing shoes and hooks for coats. Turn left into the bright and airy living space. Full width sliding patio doors and dual aspect windows in the lounge bring in bags of light. There's a two- and three-seater sofa (one is a sofa bed) whilst the coffee table has a hidden footstool. An elegant wall radiator and electric wood effect stove with feature surround add to the overall 'feel'.

The kitchen has wood effect counter tops, bags of cupboard space, a built in fridge/freezer and microwave, the single oven has a built-in grill and gas hob over. The dining table comfortably seats 4 with a feature pendant light over.

Off the hallway is the twin bedroom with a single built-in wardrobe, served by a family shower room just down the corridor with a heated towel rail and obscured window. The master bedroom, with its muted, calming colour scheme, has an ensuite with full size bath and shower over, a hidden dressing area with built in wardrobes and dressing table.
