This Brand-new, 2023 model with a long licence is clad in canexcel for extra external durability!

You enter directly into the generous kitchen/dining space with a handy seat with storage and coat hooks above.

The kitchen has worktops and cupboards on both sides of the home. Cupboard doors are in a contemporary mushroom colour. There's an integral fridge/freezer, slimline dishwasher, washing machine, and microwave. The electric oven has a gas hob over. Dual aspect windows are both fitted with blinds and there's a four-seater dining table.

Feature screening separates the kitchen and living spaces. The lounge has a large corner sofa and the space is flooded with light from the patio doors and dual aspect windows all framed with calming sage and white drapes.

The homes accent colour is continued through into the bedrooms. The twin room has the deep sage walls with plum headboards and plenty of storage and is served by a cleanly styled family shower room with obscured window.

The master bedroom has the same feature wall plum headboard. There's a walk-in wardrobe and an ensuite shower room with obscured window, plus a dressing table and bookcase.
