Regal Cranleigh Lodge

For Sale at Pearl Lake Country Holiday Park

Clad in Canexcel for a stylish and durable exterior finish, this lodge offers wonderful colours and balanced tones amidst an accomplished layout. It's for sale on a lake edge plot...what a package!

Enter through the obscured side door and you're straight into the stylish kitchen and dining area. White countertops sit above gloss finish grey cupboards. There's an integral washing machine, slimline dish washer, fridge/freezer and microwave. There's an eye level oven and five ring gas hob. The wood effect dining table has four chic, low back chairs and a pendant light feature over.

Step down into the lounge with a free standing sofa and two easy chairs. There's a feature faux woodburner and patio doors straight onto the decking which is included in the price. The mustard and grey colour scheme is reflected throughout the home giving it a contemporary feel.

Down the corridor is a large twin bedroom with plenty of storage and a wardrobe which is served by a family shower room opposite. The master suite is a really stunning. The colour scheme continues, but there's also warming feature woodwork. There's a super king sized bed, en-suite shower room, double wardrobe with sliding mirrored doors, dressing table and window seat with storage.
