Willerby Avonmore

For sale at Pearl Lake Country Holiday Park

This pre-owned Willerby Avonmore could be a great starter home to ease you into your holiday home ownership journey. With side decking and a spacious feel, there's bags of storage in a beautifully planned space.

You enter the Willerby Avonmore through the side entrance and you're straight into the kitchen/dining space via the side decking. The kitchen is light and bright with integrated fridge/freezer and built in microwave. The dining table comfortably sits four and is set in front of a generous window to bathe your food in light!

The lounge is a real feature. With huge picture windows at the far end, there's plenty of light on this southeast facing plot. A large corner sofa seats at least 5 and also doubles as a sofa bed for extra guest space.

The family shower room is sleek with a simple white loo and wash basin and double shower cubicle. There's also plenty of storage. The twin bedroom has storage over the beds and a slimline wardrobe whilst the master bedroom has an ensuite WC, fitted dressing table and lots of incidental storage.

All in all, the Willerby Avonmore offers everything you need in a holiday home at a great price – ring for details!
