ABI Ingleton

For sale at Pearl Lake Country Holiday Park

This brand new ABI Ingleton, currently on our sales ground, is so spacious and light you'll be checking to see if it really is a holiday home! Classy inside and out with a funky kitchen and larger than average bedroom – holidays will never be the same!

You enter the Ingleton through the side door straight into the kitchen, which is stunning. The cupboard fronts are a dark olive green with matt black handles, set beneath light oak worktops. There's a built-in washing machine, dishwasher, microwave and fridge/freezer. The oven has a 4-ring gas hob over with a glass splash back.

The space has a feature full length window to flood natural light into the cooking area. There's heaps of cupboards, a breakfast bar with 2 stools that hide neatly away, a built-in wine rack and the dining table seats 4. The kitchen also benefits from a full-length storage cupboard.

The lounge colour scheme of muted and light greys with olive green accessories has full width sliding patio doors. The corner sofa (also a sofa bed) can easily seat 6 and there's a separate armchair. The coffee table in the middle of the lounge conceals 2 foot stools for aching feet or further seating!

A door separates the living and sleeping areas. The 2nd bedroom is a twin with attractive padded headboards, a single wardrobe with drawers under and a USB point for handy charging of devices. It's directly opposite the family shower

room with obscured window, plenty of storage and a towel rail.

The main bedroom is spacious with full and half-length wardrobes and drawer space under. There's a dressing table with mirror over, plus a window seat with more drawers underneath. There are USB points for charging. The master has an ensuite shower room so owners and visitors can have plenty of privacy.
