For sale at Pearl Lake Country Holiday Park

The Glenluce is for sale on a sunny plot not far from the lake. This is a great opportunity!

The living area has large, fixed front windows as well as sliding patio doors on the side. This gives great natural light into the living area.

The side entrance door leads you into a kitchen that is part-screened from the living area, which has a dining area for 4 people alongside.

The hallway leads to a family shower room, a twin bedroom for family / guests, and eventually leads to the main bedroom with dressing table, plenty of storage space and an en-suite shower room.
