 - ✓ Family shower room
-

For sale at Pearl Lake Country Holiday Park

A great opportunity to purchase a larger than average holiday home on a quiet plot at Pearl Lake Country Holiday Park. If you've a large family or have lots of visitors, this 3 bed Moselle Lodge is a bargain.

You enter the Moselle through the half-glazed side door directly into the kitchen/dining section of the open plan living area. There's heaps of cupboard and drawer space, plus an integrated fridge/freezer, microwave, built in oven with separate grill and a four-ring gas hob. The dining table seats 4 but you could easily seat 6. On your left is the light, bright lounge. The front of the home has a large set of sliding patio doors, windows to each side of those and then dual aspect windows on each wall.

Because the Moselle is situated on such a great plot, there's no shortage of views from the lounge. The L-shaped sofa easily seats 6 and is also a sofa bed bringing the sleeping number up to 8. A handy coffee table has 2 footstools under giving even more seating. There's a coal effect electric fire and a large wall mounted TV. The colour scheme throughout is timeless browns, creams and neutrals so you can make your own mark with colourful accessories. Past the kitchen you'll find the three bedrooms and 2 bathrooms. The main shower room is large with a double shower and white suite, plus an obscured, opening window and plenty of storage.

There are two twin bedrooms. The first has a wardrobe, lots of over-bed storage and a calming muted green colour scheme. The second twin is slightly smaller but still has lots of storage.

The master bedroom is at the far end of the Moselle. There's a double bed with ottoman storage underneath, a wardrobe and dressing table with mirror and stool. There's also plenty of over-bed storage as well as two bedside tables with cupboards. This room also has an ensuite loo.

All in all, a great home for the larger or extended family, on a plot with wildlife and trees on the doorstep.
