For sale at Arrow Bank Country Holiday Park

A rare opportunity to purchase a Swift Moselle at Arrow Bank Country Holiday Park.

You enter the Moselle via the decking through a half-glazed door directly into the kitchen/dining area. This space is light and bright with a ceiling skylight and windows to both aspects. The countertops are in a contemporary wood block style with cream cupboard fronts. If you think of cafe latte as a colour palette you won't go far wrong!

The kitchen is fully fitted with a dishwasher, washing machine, and fridge/freezer. There's a double oven with a four-ring gas hob over plus glass splashback and extractor. The dark wood dining table seats four on upholstered seats.

The lounge space is flooded with light. There's a large sliding patio door taking you onto the decking with plenty of room for patio furniture. As the home is named after the Moselle river in France, it's the perfect place to knock back a Reising which the area is famous for! Back inside there are 2 stunning cream leather sofas, one 3 and one 2-seater – both are recliners – very swish! There's a modern flame effect feature fire which forms part of shelving and drawer system.

At the far end of the Moselle are the bedrooms and bathrooms. There's a family shower room with a timeless white suite, large shower and plenty of storage. Opposite that is the really spacious twin bedroom. There's a large double wardrobe and extensive shelving above the beds which have feature padded headboards. This room also has a TV aerial point and socket for a small wall mounted TV. The master bedroom is large and light. The double bed, which has an Aurora mattress, has plenty of storage above the bed, and 2 bedside cabinets with personal lights. There's a double wardrobe with drawers under and an ensuite. The ensuite is really luxurious because it has a rarely seen bath! There's a shower over if you don't fancy a soak. The bathroom suite is white and there's bags of storage here too.

The Moselle is a fine example of a holiday home in this price bracket. With the addition of the decking, a bath, and a fully fitted kitchen, it's a home to be proud of.
