- ✓ Family shower room

For sale at Arrow Bank Country Holiday Park

Just arrived at Arrow Bank is this brand new, fresh out of the packet, Victory Ripley! A fine example of a contemporary holiday home with neat extras and an incredible flow through – you'll never want to leave!

You enter the Ripley through the fully glazed side entrance door straight into the generous kitchen and dining space. On your immediate right is a recess with coat hooks and box seating with boot storage under – these are the little extras that make the Ripley so desirable!

The kitchen is a standout. With sage green cupboard fronts below the countertop and masses of light oak cupboards above – you'll never run out of storage space. There's an integrated fridge/freezer, dishwasher and microwave. A sleek matt black sink and an oven with four ring gas hob above and glass splashback complete this well-appointed kitchen. The large, light oak dining table with contemporary seats is set for 4 but you could easily have 6 to dine without any elbow bumping!

The Ripley lounge is superb. A large L-shaped sofa in dusky pink is one of the comfiest we've ever sat on! It easily seats 6 and doubles as a sofa bed for extra guests. There are 2-foot stools concealed under the TV cabinet so you can put your feet up whilst bingeing a box set.

Hinged patio doors take you outside and are flanked by floor to ceiling windows making the lounge light and bright.

Beyond the kitchen, through a door for extra privacy, are the bathrooms and bedrooms. The twin room is generous with soft accent lighting above the beds and USB charging points (very modern!) There's under bed storage and a wardrobe with drawers.

Opposite this bedroom is the family shower room. A large shower with sliding doors, a boutique hotel style sink and close coupled WC make this a great space. There's an opening, obscured window, heated towel rail and storage.

The master bedroom is at the end of the home. This is a really large bedroom with the additional benefit of having an ensuite. There's soft accent lighting above the headboard of the double bed and USB charging points above the side tables. There are 2 large wardrobes, both with drawers under. Next to those is the door to the ensuite. A double shower with sliding doors, traditional basin and WC. An obscured opening window and heated towel rail complete the room.

The Victory Ripley is a stunning family holiday home and, because it's brand new, it's waiting for you to make **your mark** and personalise it to your taste. And at this price – it's a real gem!
