For sale at Arrow Bank Country Holiday Park

This pre-owned Atlas Jasmine Lodge is on an exceptional plot at Arrow Bank Country Holiday Park. Just 3 years old with one careful owner, it's top of the range with incredible storage, brilliant bathrooms and a plethora of additional bits and bobs!

You enter the Jasmine from the obscure glazed side door off the enormous decking that wraps around the lodge. This decking offers bags of opportunity for outdoor living and will easily take large patio furniture to both the front and side. Immediately on entering the Jasmine you're into a hallway with 2 large storage cupboards to your right. Storage is a particular feature of the Jasmine as you'll see! Turn left and you're into the open plan living area, starting with the kitchen. There's an eye level microwave and oven, built in fridge freezer and many, many cupboards! The kitchen is the full width of the home giving it a spacious feel. The maple effect cupboard fronts sit under composite effect dark worktops giving the space a contemporary feel. There's a built-in dishwasher and washing machine and the space is completed with a large dining table that seats 4 but would easily seat 6.

The lounge has a large sofa (also a sofa bed) and a smaller 2-seater sofa. There's a sleek, modern gas effect fire that sits flush with the wall and room for a TV over. You'll also find bags of storage and display space in the lounge for pics and knick and knacks!

Back through the kitchen and the hallway into the very interesting bedroom and bathroom set up. There's a generous shower room which has a door leading to the master bedroom – it's a 'Jack and Jill' set up if you will! So, this can be the master bedroom ensuite or the main bathroom to the home.

Opposite that bathroom is the twin room. Now this is a real treat. It's generous with over-bed cupboards, a small dressing table and what appears to be a double mirrored wardrobe. One side is a wardrobe, but the other side is the door to the ensuite shower room that serves this bedroom. A twin room with an ensuite? Very unusual!

The master is another room with surprises. For a start, it's huge! There's a dressing table, a generous low chest of drawers, bags of storage around the bed and through a door is a walk-in wardrobe/dressing room! Again, lots of storage shelves here, plus drawers and hanging space. You've also got that Jack and Jill door to the ensuite/family bathroom depending how you choose to use it.

The Jasmine Lodge is a versatile, spacious holiday home with so many extras that it's not going to hang around very long!
